P. R. AND CUSTOMER SERVICE AND SALES

April 8, 1999

Selected Postal Customer  
Rural Route 3  
Hillsboro, OR 97124

Dear Postal Customer:

Based upon a request made by the City of North Plains and a survey of the residents in your area, effective May 8, 1999, your ZIP Code and last line of address will be changed to:

**North Plains, OR 97133-9204**

There will be no disruption of your mail delivery service with this change. You will be able to pick up parcels and accountable items at the new North Plains Post Office located at 31700 NW Commercial Street.

Once this change is implemented, you will have one year to notify correspondents of your new address and to exhaust current stationery supplies; however, the immediate use of your new ZIP Code will contribute greatly to the success of this change and the Postal Service's ability to provide you with the best possible service.

A map of the new North Plains ZIP Code boundary has been included for your reference.

If you have any questions regarding this change please contact Robert W. Ayers, Manager, Operations Programs Support, at (503) 294-2566.

Sincerely,

A handwritten signature in dark ink, appearing to read "William G. Jackson".
